

"In the beginning,
God created
the heavens
and the earth."

"In the begining, God created the heavens and the earth". This is a Bible verse from the first book, Old Testament, Genesis1:1. The Bible says that there is God who created the heavens and the earth.

Let' s consider how wonderfully our planet earth was created!! (countinued overleaf)

When we think about the rotation and revolution speed of the earth, we can know there is the creator of all things. The rotation speed of the earth is 1,674km/h and the speed of bullet train is about 2,00km/h. So the rotation speed is about eightfold speed of the train. Moreover, the revolution speed of the earth is about 100,000km/h, whereas, the average speed of the plane is 1000km/h. So the revolution speed is faster than the plane. We cannot compare the revolution and plane speed. Nevertheless, this earth accurately goes around the sun without getting lost! Does everyone think was this earth completed haphazardly? Of course not! Even a space shuttle cannot fly in the sky without the best human wisdom. It is a serious mistake for you to think that the earth was haphazardly completed. God of all things creator made you.

God does not give you lives without a purpose. God has a purpose that he creates human and makes human live in this world. The purpose is knowing the love of God, responding to the love, obeying him and living a life in thanksgiving to God.

God who made the heavens and the earth loves human beings. So he loves us and gave us wonderful things like water and air. Can human beings create air? Can human beings create water? Scientists can make a small amount by synthesizing some substances that already exist in the world. But they can never create water from nothing. World order which we have today is not order that people created for themselves. No one was ever born from his mother's stomach by his power or will. All things came from the creator of heaven and earth.

Do you admit that God loves you? Do you respond to the love of God? However, is it not very probable that you are like the person expressed in the following words of scripture?

『Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so God gave them over to a depraved mind, so that they do what ought not to be done.』
(New Testament Romans 1:28)

Have you ever done something that you cannot absolutely say to people or you should not have done? Do you not have bad thoughts in your heart? All people became sinners because they betrayed the love of God and strayed from God. If you keep living in sin, a terrible result waits for you at the end of your life.

『Just as people are destined to die once, and after that to face judgement,』
(New Testament Hebrews 9:27)

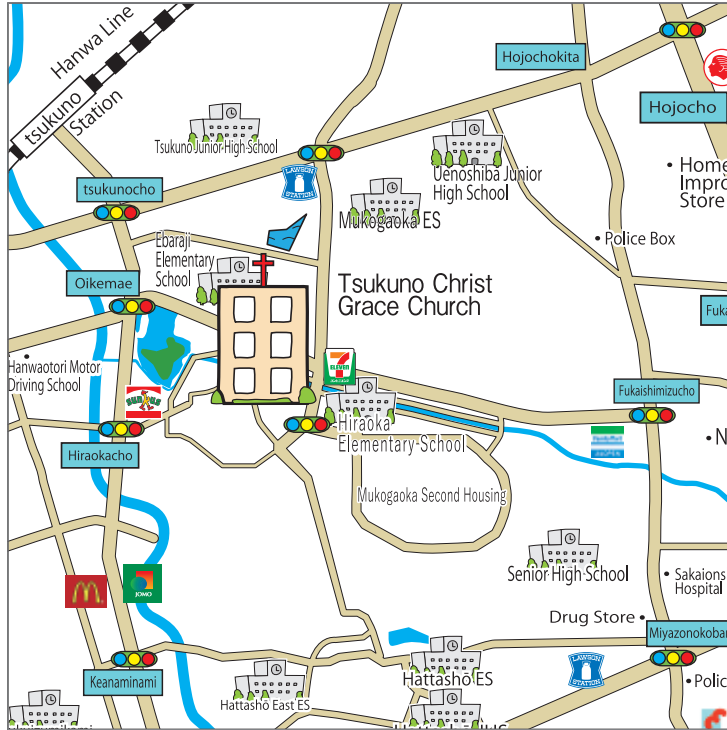

In this way, God warns you to listen because God loves you. God, the creator of heaven and earth is a holy God. He cannot forgive even a single sin. The sin must absolutely be judged by God. The judgement of God after death is eternal hell, the lake of fire. But God shows his own love in order to save you from hell.

『For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.』 (New Testament John 3:16)

God, the father loves you and sent Jesus Christ, his one and only Son to this world. Jesus Christ was crucified on the cross and died instead of you. Why? It is so that you believe in Jesus Christ as your true savior. Jesus Christ came to forgive your sins and to save you from the eternal hell. Please accept this love of precious God.

Our church provides a variety of opportunities to convey to you message of God's love.
